RDP RURAL KEY FUND CAPITAL SCHEME

As part of the Rural Development Plan (RDP); the Rural Key Fund has been set up to support local services in rural communities and encourage local companies to become involved in community regeneration through their corporate social responsibility activity

Are you a constituted voluntary group?
Do you have a capital project idea?
Does your community have a need for a capital project?

We would love to hear from you if your project will possibly meet one of these targets:

- *Get people back into work through increasing skills*
- *Create jobs*
- *Increase usage of village halls*
- *Improve community facilities*

Unfortunately Rhyl, Meliden, Prestatyn, Dyserth are not eligible areas
